

SPB is *excited* to offer a **Leadership Workshop Series** at SPB. The program is based on the Kouzes and Pozner Leadership Challenge model.

These **5-day** workshops are recommended for managers, supervisors and line staff. Supervisory and non-supervisory staff will gain leadership skills to be used in their current assignment. To register for this series of workshops, complete a [Revised Training Registration Form \(SPB-46\)](#).

Participants in this series of workshops will learn how to:

- Identify your leadership strengths and weaknesses
- Set the example for others by aligning your actions with your values
- Express your image of the future
- Search for opportunities to take risks needed for growth
- Build collaboration, teamwork, and trust
- Strengthen the ability of others to excel
- Recognize the accomplishment of others
- Communication: Convey and receive messages for better results
- Team Building: Establish teams and develop their effectiveness
- Develop skills and abilities needed to develop a strategic plan
- Prepare to lead employees through organizational change
- Apply the leadership workshop to a contemporary agency challenge

The Series ***includes a Leadership Practices Inventory*** (360 skill assessment) and the ***DISC Personality Test***.
